

Dear Business Owner,

The Aberdeen Matawan Girls Recreation Softball League is looking for local business to sponsor a team. This year yet again we expect over 200 girls to register for our league from kindergarten to eighth grade and looking to expand the program to high school grades as well. The success of our league is truly a community effort. As you know, the cost of doing business is very challenging – especially for a non-profit/ recreation organization like ours. Your contribution will help us off set the increased cost of uniforms, umpires, awards, & insurance help us pay for training classes for new coaches, and more. Most importantly, help keep our registration fees affordable for families to sign their daughters up to play softball. Please sponsor a team and make 2018 a successful year for girls of Aberdeen Matawan Softball
